OUR STORY...

Alan Kram has been in the food industry for 45 years. When Flat Creek came on the auction block in 2009, he wanted it. His sister encouraged him and said she would buy Flat Creek if he agreed to manage the place and make it a success. Success was not easy.

Flat Creek had many problems. It could only accommodate about fifty customers. The kitchen was way too small. Against all odds, it was up to Alan to make this restaurant a success. Word spread that Flat Creek served great food and Alan and his staff really cared about the customers.

Customers started coming in and they soon became friends. They were encouraged to bring in memorabilia to decorate the bare walls and ceilings of Flat Creek. They brought special items to personalize the restaurant. Now Flat Creek’s walls and ceiling tell a story about these friends.

Support of the locals helped make Flat Creek what it is today. The seating capacity has increased from serving 50 customers at a time to now over 300 customers.

Alan met Josh who came aboard shortly thereafter. Josh has 25 years of food service and a stellar reputation with the food industry and staff. Alan and Josh complement each other and have made lots of improvements. They recently opened another restaurant at Cape Fair Marina.

Flat Creek has become the area’s number one destination restaurant in Cape Fair MO and we thank for your ongoing support, we appreciate YOU!!!!
